C.A. No. 20-00773-CFC

Dear Judge Connolly:

The parties in the above-referenced matter are pleased to advise the Court that the mediation before Magistrate Judge Fallon has been successful and a settlement has been reached. The parties respectfully request cancellation of the trial (scheduled to commence March 17, 2021), and will file a stipulation of dismissal once the settlement has been fully documented.

We are available at the Court's convenience to address any questions.

Most respectfully,

/s/ Robert A. Weber
